Agenda Item No. 8(N)(6)

**From:** Carlos A. Gimenez  
Mayor

A handwritten signature in black ink, appearing to read "Carlos A. Gimenez", written over the "From:" line.

**Subject:** Local Agency Program Agreement Between Miami-Dade County and the Florida Department of Transportation to Provide the County with up to \$19,159.00 in Safe Routes to School Program Funds and Authorizing the Use of Charter County Transportation Surtax Funds for Such Purposes

## **Recommendation**

It is recommended that the Board of County Commissioners (Board) approve the attached Resolution authorizing the execution of a Local Agency Program (LAP) Agreement between Miami-Dade County (County) and the Florida Department of Transportation (FDOT). The LAP Agreement provides the County with up to \$19,159.00 in Safe Routes to School Program funds to be paid through FDOT for the design of safety related infrastructure improvements at one (1) school located in the County (Appendix A). The Safe Routes to School Program requires that a local funding source provide upfront funding for the projects to be subsequently reimbursed. The County's Department of Transportation and Public Works (DTPW) is proposing to provide the upfront funds from proceeds collected through the Charter County Transportation Surtax.

This LAP Agreement is placed for Committee review pursuant to Miami-Dade County Code Section 29-124(f). This LAP Agreement may only be considered by the Board if the Citizens' Independent Transportation Trust (CITT) has forwarded a recommendation to the Board prior to the date scheduled for Board consideration or 45 days have elapsed since the filing with the Clerk of the Board of this LAP Agreement. If the CITT has not forwarded a recommendation and 45 days have not elapsed since the filing of this LAP Agreement, I will request a withdrawal of this item.

## **Scope**

This LAP Agreement will provide for the design of improvements at one (1) school whose Safe Routes to School boundaries are located in Commissioner Jose "Pepe" Diaz's District 12. Funding will be available in State Fiscal Year 2016-17. The design of improvements provided by this LAP Agreement is anticipated to commence in late 2016 and be completed by mid-2017.

## **Fiscal Impact/Funding Source**

The total cost for design for the school covered under this LAP Agreement is \$19,159.00. The upfront funding will be provided through index code CPEPTP00SAFE. The proposed improvements qualify under the allowable work categories included in the People's Transportation Plan (PTP) Neighborhood Improvements Section. Since PTP funds are to be reimbursed as each project is completed, the proposed projects will have no adverse impact on the ability to deliver any other PTP projects.

**Track Record/Monitor**

Mr. Ricardo Gavilan, P.E., PTOE, LEED AP of the Traffic Engineering Division within the DTPW will monitor this agreement.

**Background**

The Safe Routes to School Program was authorized in August 2005 by Section 1404 of the Federal Transportation Act, Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users. This program provides Federal-aid highway funds to State Departments of Transportation to make it safer and easier for children from Kindergarten through grade 8 to walk or bicycle to and from school.

The Miami-Dade County Public Schools (MDCPS) has submitted applications for schools located in the County to FDOT for consideration within the Safe Routes to School Program. The subject school was identified with the assistance of MDCPS, DTPW, and the Metropolitan Planning Organization. Factors that were used to prioritize the school included proximity to traffic accidents involving juvenile pedestrians, the potential for attracting new walk trips, and geographic distribution.

As MDCPS is not a LAP Certified Agency, they have partnered with DTPW, a LAP Certified Agency, in order to obtain and take advantage of these federal funds. DTPW shall oversee the design, bid, award, and construction administration of the project and shall upon each project's completion submit invoices to FDOT's District 6 LAP Administrator for approval and reimbursement.

This LAP Agreement is for one (1) school in the County, bringing the total number of schools funded under the Safe Routes to School Program to 68. The school funded in this LAP Agreement is included in Appendix A.

DTPW will implement a Public Involvement Plan prior to the construction of the project to provide information to parents, teachers, property owners, tenants, and area residents of work to be performed in the area. The construction of these improvements will be provided by a LAP Agreement that is concurrently being presented for approval by the Board and CITT under separate resolution.

THIS LOCAL AGENCY PROGRAM AGREEMENT ("Agreement"), is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ between the State of Florida, Department of Transportation, an agency of the State of Florida ("Department"), and MIAMI-DADE COUNTY DEPARTMENT OF TRANSPORTATION AND PUBLIC WORKS ("Agency").

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations in this Agreement, the parties agree as follows:

1. **Authority:** The Agency, by Resolution No. \_\_\_\_\_ dated the \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, a copy of which is attached as Exhibit "F" and made a part of this Agreement, has authorized its officers to execute this Agreement on its behalf. The Department has the authority pursuant to Section 339.12, Florida Statutes, to enter into this Agreement.

2. **Purpose of Agreement:** The purpose of this Agreement is to provide for the Department's participation in SRTS Hialeah Gardens Elementary, as further described in Exhibit "A", Project Description and Responsibilities attached to and incorporated in this Agreement ("Project"), to provide Department financial assistance to the Agency, state the terms and conditions upon which Department funds will be provided, and to set forth the manner in which the Project will be undertaken and completed.

3. **Term of Agreement:** The Agency agrees to complete the Project on or before 05/31/2017. If the Agency does not complete the Project within this time period, this Agreement will expire on the last day of the scheduled completion as provided in this paragraph unless an extension of the time period is requested by the Agency and granted in writing by the Department prior to the expiration of this Agreement. Expiration of this Agreement will be considered termination of the Project. The cost of any work performed after the expiration date of this Agreement will not be reimbursed by the Department.

4. **Project Cost:**

- A. The total cost of the Project is \$ \$19,159.00. This amount is based upon the schedule of funding in Exhibit "B", Schedule of Funding attached to and incorporated in this Agreement. The Agency agrees to bear all expenses in excess of the total cost of the Project and any deficits involved. The schedule of funding may be modified by mutual agreement as provided for in paragraph 5.1.
- B. The Department agrees to participate in the Project cost up to the maximum amount of \$19,159.00 and as more fully described in Exhibit "B". This amount includes Federal-aid funds which are limited to the actual amount of Federal-aid participation.
- C. Project costs eligible for Department participation will be allowed only from the date of this Agreement. It is understood that Department participation in eligible Project costs is subject to:
  - i. Legislative approval of the Department's appropriation request in the work program year that the Project is scheduled to be committed;

- ii. Availability of funds as stated in subparagraphs 5.L. and 5.M. of this Agreement;
- iii. Approval of all plans, specifications, contracts or other obligating documents and all other terms of this Agreement; and
- iv. Department approval of the Project scope and budget at the time appropriation authority becomes available.

**5. Requisitions and Payments:**

- A. The Agency shall provide quantifiable, measurable, and verifiable units of deliverables. Each deliverable must specify the required minimum level of service to be performed and the criteria for evaluating successful completion. The Project and the quantifiable, measurable, and verifiable units of deliverables are described more fully in Exhibit "A".
- B. Invoices shall be submitted by the Agency in detail sufficient for a proper pre-audit and post-audit based on the quantifiable, measurable and verifiable units of deliverables as established in Exhibit "A". Deliverables must be received and accepted in writing by the Department's Project Manager prior to payments.
- C. The Agency shall charge to the Project account all eligible costs of the Project except costs agreed to be borne by the Agency or its contractors and subcontractors. Costs in excess of the programmed funding or attributable to actions which have not received the required approval of the Department shall not be considered eligible costs. All costs charged to the Project, including any approved services contributed by the Agency or others, shall be supported by properly executed payrolls, time records, invoices, contracts or vouchers evidencing in proper detail the nature and propriety of the charges.
- D. Supporting documentation must establish that the deliverables were received and accepted in writing by the Agency and must also establish that the required minimum level of service to be performed based on the criteria for evaluating successful completion as specified in Exhibit "A" was met.
- E. Bills for travel expenses specifically authorized in this Agreement shall be submitted on the Department's Contractor Travel Form No. 300-000-06 and will be paid in accordance with Section 112.061, Florida Statutes and the most current version of the Disbursement Handbook for Employees and Managers.
- F. Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapters 215 and 216, Florida Statutes. If the Department determines that the performance of the Agency is unsatisfactory, the Department shall notify the Agency of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the Department. The Agency shall, within five days after notice from the Department, provide the Department with a corrective action plan describing how the Agency will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the Department, the Agency shall be assessed a non-performance retainage equivalent to 10% of the total invoice amount. The retainage shall be applied to the invoice for the then-current billing period. The retainage shall be withheld until the Agency resolves the deficiency. If the deficiency is subsequently resolved, the Agency may bill the Department for the retained amount during the next billing period. If the Agency is unable to resolve the deficiency, the funds retained may be forfeited at the end of the Agreement's term.
- G. Agencies providing goods and services to the Department should be aware of the following time frames. Inspection and approval of goods or services shall take no longer than 20 days from the Department's receipt of the invoice. The Department has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved.

If a payment is not available within 40 days, a separate interest penalty at a rate as established pursuant to **Section 55.03(1), F.S.**, will be due and payable, in addition to the invoice amount, to the Agency. Interest penalties of less than one (1) dollar will not be enforced unless the Agency requests payment. Invoices that have to be returned to an Agency because of Agency preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for Agencies who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516.

- H. Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for five years after final payment is made. Copies of these documents and records shall be furnished to the Department upon request. Records of costs incurred include the Agency's general accounting records and the project records, together with supporting documents and records, of the contractor and all subcontractors performing work on the project, and all other records of the Contractor and subcontractors considered necessary by the Department for a proper audit of costs.
- I. Prior to the execution of this Agreement, a Project schedule of funding shall be prepared by the Agency and approved by the Department. The Agency shall maintain said schedule of funding, carry out the Project, and shall incur obligations against and make disbursements of Project funds only in conformity with the latest approved schedule of funding for the Project. The schedule of funding may be revised by execution of a Local Agency Program ("LAP") Supplemental Agreement between the Department and the Agency. The Agency acknowledges and agrees that funding for this project may be reduced upon determination of the agency's contract award amount. If revised, a copy of the Supplemental Agreement shall be forwarded to the Department's Comptroller. No increase or decrease shall be effective unless it complies with fund participation requirements of this Agreement and is approved by the Department's Comptroller.
- J. If, after Project completion, any claim is made by the Department resulting from an audit or for work or services performed pursuant to this Agreement, the Department may offset such amount from payments due for work or services done under any agreement which it has with the Agency owing such amount if, upon demand, payment of the amount is not made within 60 days to the Department. Offsetting any amount pursuant to this paragraph shall not be considered a breach of contract by the Department.
- K. The Agency must submit the final invoice on the Project to the Department within 120 days after the completion of the Project. Invoices submitted after the 120-day time period may not be paid.
- L. The Department's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. If the Department's funding for this Project is in multiple fiscal years, funds approval from the Department's Comptroller must be received each fiscal year prior to costs being incurred. See Exhibit "B" for funding levels by fiscal year. Project costs utilizing these fiscal year funds are not eligible for reimbursement if incurred prior to funds approval being received. The Department will notify the Agency, in writing, when funds are available.
- M. In the event this Agreement is in excess of \$25,000 and has a term for a period of more than one year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated:

"The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be

executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years, and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of \$25,000 and which have a term for a period of more than 1 year."

**6. Department Payment Obligations:** Subject to other provisions of this Agreement, the Department will honor requests for reimbursement to the Agency pursuant to this Agreement. However, notwithstanding any other provision of this Agreement, the Department may elect by notice in writing not to make a payment if:

- A. The Agency shall have made misrepresentation of a material nature in its application, or any supplement or amendment to its application, or with respect to any document or data furnished with its application or pursuant to this Agreement;
- B. There is any pending litigation with respect to the performance by the Agency of any of its duties or obligations which may jeopardize or adversely affect the Project, the Agreement or payments to the Project;
- C. The Agency shall have taken any action pertaining to the Project which, under this Agreement, requires the approval of the Department or has made a related expenditure or incurred related obligations without having been advised by the Department that same are approved;
- D. There has been any violation of the conflict of interest provisions contained in paragraph 16.J.; or
- E. The Agency has been determined by the Department to be in default under any of the provisions of the Agreement.

The Department may suspend or terminate payment for that portion of the Project which the Federal Highway Administration ("FHWA"), or the Department acting in lieu of FHWA, may designate as ineligible for Federal-aid.

In determining the amount of the payment, the Department will exclude all Project costs incurred by the Agency prior to the Department's issuance of a Notice to Proceed ("NTP"), costs incurred after the expiration of the Agreement, costs which are not provided for in the latest approved schedule of funding in Exhibit "B" for the Project, costs agreed to be borne by the Agency or its contractors and subcontractors for not meeting the Project commencement and final invoice time lines, and costs attributable to goods or services received under a contract or other arrangements which have not been approved in writing by the Department.

**7. General Requirements:** The Agency shall complete the Project with all practical dispatch, in a sound, economical, and efficient manner, and in accordance with the provisions in this Agreement, and all applicable laws. The Project will be performed in accordance with all applicable Department procedures, guidelines, manuals, standards, and directives as described in the Department's Local Agency Program Manual, which by this reference is made a part of this Agreement. Time is of the essence as to each and every obligation under this Agreement.

- A. A full time employee of the Agency, qualified to ensure that the work being pursued is complete, accurate, and consistent with the terms, conditions, and specifications of this Agreement shall be in responsible charge of the Project, which employee should be able to perform the following duties and functions:
  - i. Administers inherently governmental project activities, including those dealing with cost, time, adherence to contract requirements, construction quality and scope of Federal-aid projects;
  - ii. Maintains familiarity of day to day Project operations, including Project safety issues;
  - iii. Makes or participates in decisions about changed conditions or scope changes that require change orders or supplemental agreements;
  - iv. Visits and reviews the Project on a frequency that is commensurate with the magnitude and complexity of the Project;

- v. Reviews financial processes, transactions and documentation to ensure that safeguards are in place to minimize fraud, waste, and abuse;
  - vi. Directs Project staff, agency or consultant, to carry out Project administration and contract oversight, including proper documentation;
  - vii. Is aware of the qualifications, assignments and on-the-job performance of the Agency and consultant staff at all stages of the Project.
- B. Once the Department issues the NTP for the Project, the Agency shall be obligated to submit an invoice or other request for reimbursement to the Department on a quarterly basis, beginning from the day the NTP is issued. If the Agency fails to submit quarterly invoices to the Department, and in the event the failure to timely submit invoices to the Department results in the "FHWA" removing any unbilled funding or the loss of State appropriation authority (which may include the loss of state and federal funds, if there are state funds programmed to the Project), then the Agency will be solely responsible to provide all funds necessary to complete the Project and the Department will not be obligated to provide any additional funding for the Project. The Agency waives the right to contest such removal of funds by the Department, if the removal is related to FHWA's withdrawal of funds or if the removal is related to the loss of State appropriation authority. In addition to the loss of funding for the Project, the Department will also consider the de-certification of the Agency for future LAP Projects. No cost may be incurred under this Agreement until after the Agency has received a written NTP from the Department. The Agency agrees to advertise or put the Project out to bid thirty (30) days from the date the Department issues the NTP to advertise the Project. If the Agency is not able to meet the scheduled advertisement, the District LAP Administrator should be notified as soon as possible.
- C. If all funds are removed from the Project, including amounts previously billed to the Department and reimbursed to the Agency, and the Project is off the state highway system, then the Department will have to request repayment for the previously billed amounts from the Agency. No state funds can be used on off-system projects, unless authorized pursuant to Exhibit "G", State Funds Addendum, which will be attached to and incorporated in this Agreement in the event state funds are used on the Project.
- D. In the event that any election, referendum, approval, permit, notice or other proceeding or authorization is required under applicable law to enable the Agency to enter into this Agreement or to undertake the Project or to observe, assume or carry out any of the provisions of the Agreement, the Agency will initiate and consummate, as provided by law, all actions necessary with respect to any such matters.
- E. The Agency shall initiate and prosecute to completion all proceedings necessary, including Federal-aid requirements, to enable the Agency to provide the necessary funds for completion of the Project.
- F. The Agency shall submit to the Department such data, reports, records, contracts, and other documents relating to the Project as the Department and FHWA may require. The Agency shall use the Department's Local Agency Program Information Tool and applicable information systems as required.
- G. Federal-aid funds shall not participate in any cost which is not incurred in conformity with applicable federal and State laws, the regulations in 23 Code of Federal Regulations (C.F.R.) and 49 C.F.R., and policies and procedures prescribed by the Division Administrator of FHWA. Federal funds shall not be paid on account of any cost incurred prior to authorization by FHWA to the Department to proceed with the Project or part thereof involving such cost (23 C.F.R. 1.9 (a)). If FHWA or the Department determines that any amount claimed is not eligible, federal participation may be approved in the amount determined to be adequately supported and the Department shall notify the Agency in writing citing the reasons why items and amounts are not eligible for federal participation. Where correctable non-compliance with provisions of law or FHWA requirements exists, Federal funds may be withheld until compliance is obtained. Where non-compliance is not correctable, FHWA or the Department may deny participation in parcel or Project costs in part or in total. For any amounts determined to be ineligible for federal reimbursement for which the Department has advanced payment, the Agency shall promptly reimburse the Department for all such amounts within 90 days of written notice.

- H. For any project requiring additional right-of-way, the Agency must submit to the Department an annual report of its real property acquisition and relocation assistance activities on the project. Activities shall be reported on a federal fiscal year basis, from October 1 through September 30. The report must be prepared using the format prescribed in 49 C.F.R. Part 24, Appendix B, and be submitted to the Department no later than October 15 of each year.

**8. Audit Reports:** The administration of resources awarded through the Department to the Agency by this Agreement may be subject to audits and/or monitoring by the Department. The following requirements do not limit the authority of the Department to conduct or arrange for the conduct of additional audits or evaluations of federal awards or limit the authority of any State agency inspector general, the State of Florida Auditor General or any other State official. The Agency shall comply with all audit and audit reporting requirements as specified below.

- A. In addition to reviews of audits conducted in accordance with OMB Circular A-133, for fiscal years beginning before December 26, 2014, and in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, monitoring procedures may include but not be limited to on-site visits by Department staff and/or other procedures including, reviewing any required performance and financial reports, following up, ensuring corrective action, and issuing management decisions on weaknesses found through audits when those findings pertain to federal awards provided through the Department by this Agreement. By entering into this Agreement, the Agency agrees to comply and cooperate fully with any monitoring procedures/processes deemed appropriate by the Department. The Agency further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Department, State of Florida Chief Financial Officer (CFO) or State of Florida Auditor General.
- B. The Agency, a non-federal entity as defined by OMB Circular A-133, for fiscal years beginning before December 26, 2014, and as defined by 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, as a subrecipient of a federal award awarded by the Department through this Agreement is subject to the following requirements:
- i. In the event the Agency expends a total amount of federal awards equal to or in excess of the threshold established by OMB Circular A-133, for fiscal years beginning before December 26, 2014, and established by 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, the Agency must have a federal single or program-specific audit for such fiscal year conducted in accordance with the provisions of OMB Circular A-133, for fiscal years beginning before December 26, 2014, and in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014. **Exhibit "1", Federal Financial Assistance (Single Audit Act)** to this Agreement provides the required federal award identification information needed by the Agency to further comply with the requirements of OMB Circular A-133, for fiscal years beginning before December 26, 2014, and the requirements of 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014. In determining federal awards expended in a fiscal year, the Agency must consider all sources of federal awards based on when the activity related to the federal award occurs, including the federal award provided through the Department by this Agreement. The determination of amounts of federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, for fiscal years beginning before December 26, 2014, and established by 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014. An audit conducted by the State of Florida Auditor General in accordance with the provisions of OMB Circular A-133, for fiscal years beginning before December 26, 2014, and in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, will meet the requirements of this part.
  - ii. In connection with the audit requirements, the Agency shall fulfill the requirements relative to the auditee responsibilities as provided in OMB Circular A-133, for fiscal years beginning before December 26, 2014, and as provided in 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014.

- iii. In the event the Agency expends less than the threshold established by OMB Circular A-133, for fiscal years beginning before December 26, 2014, and established by 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, in federal awards, the Agency is exempt from federal audit requirements for that fiscal year. However, the Agency must provide a single audit exemption statement to the Department at [FDOTSingleAudit@dot.state.fl.us](mailto:FDOTSingleAudit@dot.state.fl.us) no later than nine months after the end of the Agency's audit period for each applicable audit year. In the event the Agency expends less than the threshold established by OMB Circular A-133, for fiscal years beginning before December 26, 2014, and established by 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, in federal awards in a fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, for fiscal years beginning before December 26, 2014, and in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from the Agency's resources obtained from other than federal entities).
- iv. The Agency must electronically submit to the Federal Audit Clearinghouse (FAC) at <https://harvester.census.gov/facweb/> the audit reporting package as required by OMB Circular A-133, for fiscal years beginning before December 26, 2014, and as required by 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period. The FAC is the repository of record for audits required by OMB Circular A-133, for fiscal years beginning before December 26, 2014, and for audits required by 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, and this Agreement. However, the Department requires a copy of the audit reporting package also be submitted to [FDOTSingleAudit@dot.state.fl.us](mailto:FDOTSingleAudit@dot.state.fl.us) within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period as required by OMB Circular A-133, for fiscal years beginning before December 26, 2014, and as required by 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014.
- v. Within six months of acceptance of the audit report by the FAC, the Department will review the Agency's audit reporting package, including corrective action plans and management letters, to the extent necessary to determine whether timely and appropriate action on all deficiencies has been taken pertaining to the federal award provided through the Department by this Agreement. If the Agency fails to have an audit conducted in accordance with OMB Circular A-133, for fiscal years beginning before December 26, 2014, and in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, for fiscal years beginning on or after December 26, 2014, the Department may impose additional conditions to remedy noncompliance. If the Department determines that noncompliance cannot be remedied by imposing additional conditions, the Department may take appropriate actions to enforce compliance, which actions may include but not be limited to the following:
  - 1. Temporarily withhold cash payments pending correction of the deficiency by the Agency or more severe enforcement action by the Department;
  - 2. Disallow (deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance;
  - 3. Wholly or partly suspend or terminate the federal award;

  - 5. Withhold further federal awards for the Project or program;
  - 6. Take other remedies that may be legally available.
- vi. As a condition of receiving this federal award, the Agency shall permit the Department, or its designee, the CFO or State of Florida Auditor General access to Agency's records including

- C. The Agency shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date the audit report is issued and shall allow the Department, or its designee, the CFO or State of Florida Auditor General access to such records upon request. The Agency shall ensure that the audit working papers are made available to the Department, or its designee, the CFO, or State of Florida Auditor General upon request for a period of five years from the date the audit report is issued unless extended in writing by the Department.

**9. Termination or Suspension of Project:** The Department may, by written notice to the Agency, suspend any or all of the Agency's obligations under this Agreement until such time as the event or condition resulting in such suspension has ceased or been corrected or the Department may terminate this Agreement in whole or in part at any time the interest of the Department requires such termination.

- A. If the Department determines that the performance of the Agency is not satisfactory, the Department shall notify the Agency of the deficiency in writing with a requirement that the deficiency be corrected within thirty (30) days of such notice. Such notice shall provide reasonable specificity to the Agency of the deficiency that requires correction. If the deficiency is not corrected within such time period, the Department may either (1) immediately terminate the Agreement as set forth in paragraph 9.B. below, or (2) take whatever action is deemed appropriate by the Department to correct the deficiency. In the event the Department chooses to take action and not terminate the Agreement, the Agency shall, upon demand, promptly reimburse the Department for any and all costs and expenses incurred by the Department in correcting the deficiency.
- B. If the Department terminates the Agreement, the Department shall notify the Agency of such termination in writing, with instructions to the effective date of termination or specify the stage of work at which the Agreement is to be terminated.
- C. If the Agreement is terminated before the Project is completed, the Agency shall be paid only for the percentage of the Project satisfactorily performed for which costs can be substantiated. Such payment, however, shall not exceed the equivalent percentage of the contract price. All work in progress on Department right-of-way will become the property of the Department and will be turned over promptly by the Agency.
- D. The Department reserves the right to unilaterally cancel this Agreement for refusal by the Agency or any contractor, sub-contractor or materials vendor to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, Florida Statutes, and made or received in conjunction with this Agreement unless the records are exempt.
- E. Upon receipt of any final termination or suspension notice under this paragraph 9., the Agency shall proceed promptly to carry out the actions required in such notice, which may include any or all of the following: (a) necessary action to terminate or suspend, as the case may be, Project activities and contracts and such other action as may be required or desirable to keep to a minimum the costs upon the basis of which the financing is to be computed; or (b) furnish a statement of the Project activities and contracts and other undertakings the cost of which are otherwise includable as Project costs. The termination or suspension shall be carried out in conformity with the latest schedule, plan, and cost as approved by the Department or upon the basis of terms and conditions imposed by the Department upon

the failure of the Agency to furnish the schedule, plan, and estimate within a reasonable time. The closing out of federal financial participation in the Project shall not constitute a waiver of any claim which the Department may otherwise have arising out of this Agreement.

**10. Contracts of the Agency:**

- A. Except as otherwise authorized in writing by the Department, the Agency shall not execute any contract or obligate itself in any manner requiring the disbursement of Department funds, including consultant or construction contracts or amendments thereto, with any third party with respect to the Project without the written approval of the Department. Failure to obtain such approval shall be sufficient cause for nonpayment by the Department. The Department specifically reserves the right to review the qualifications of any consultant or contractor and to approve or disapprove the employment of such consultant or contractor.
- B. It is understood and agreed by the parties to this Agreement that participation by the Department in a project with the Agency, where said project involves a consultant contract for engineering, architecture or surveying services, is contingent on the Agency's complying in full with provisions of Section 287.055, Florida Statutes, Consultants' Competitive Negotiation Act, the federal Brooks Act, 23 C.F.R. 172, and 23 U.S.C. 112. At the discretion of the Department, the Agency will involve the Department in the consultant selection process for all projects funded under this Agreement. In all cases, the Agency shall certify to the Department that selection has been accomplished in compliance with the Consultants' Competitive Negotiation Act and the federal Brooks Act.
- C. The Agency shall comply with, and require its consultants and contractors to comply with applicable federal law pertaining to the use of Federal-aid funds. The Agency shall comply with the provisions in the FHWA-1273 form as set forth in Exhibit "C", FHWA 1273 attached to and incorporated in this Agreement. The Agency shall include FHWA-1273 in all contracts with consultants and contractors performing work on the Project.

**11. Disadvantaged Business Enterprise (DBE) Policy and Obligation:** It is the policy of the Department that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with Department funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement.

The Agency and its contractors agree to ensure that DBE's have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The Agency and its contractors and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement.

**12. Compliance with Conditions and Laws:** The Agency shall comply and require its contractors and subcontractors to comply with all terms and conditions of this Agreement and all federal, state, and local laws and regulations applicable to this Project. Execution of this Agreement constitutes a certification that the Agency is in compliance with, and will require its contractors and subcontractors to comply with, all requirements imposed by applicable federal, state, and local laws and regulations, including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions," in 49 C.F.R. Part 29, and 2 C.F.R. Part 200 when applicable.

**13. Performance Evaluations:** Agencies are evaluated on a project-by-project basis. The evaluations provide information about oversight needs and provide input for the recertification process. Evaluations are submitted to the Agency's person in responsible charge or designee as part of the Project closeout process. The Department provides the evaluation to the Agency no more than 30 days after final acceptance.

- A. Each evaluation will result in one of three ratings. A rating of Unsatisfactory Performance means the Agency failed to develop the Project in accordance with applicable federal and state regulations, standards and procedures, required excessive District involvement/oversight, or the Project was brought in-house by the Department. A rating of Satisfactory Performance means the Agency developed the

If any such present or former member, officer or employee involuntarily acquires or had acquired prior to the beginning of tenure any such interest, and if such interest is immediately disclosed to the Agency, the Agency, with prior approval of the Department, may waive the prohibition contained in this paragraph provided that any such present member, officer or employee shall not participate in any action by the Agency or the locality relating to such contract, subcontract or arrangement. The Agency shall insert in all contracts entered into in connection with the Project or any property included or planned to be included in any Project, and shall require its contractors to insert in each of their subcontracts, the following provision:
